About Me

JULIE MCNAMARA

Most days you can find me in Lululemon & a messy bun, working in my home office with a smile on my face and some sort of ice coffee in hand. I am a wedding planner, a lover of all dogs (even the naughty ones), a good friend, a storyteller, a yogi, and a woman who is always down to support other women owned businesses. We only have one life -I believe in making it count, by doing good things and keeping it real.!

My style? It's high end, yet laid back. I want you to feel invited to come as you are, to stay awhile, and maybe have some fun while you're at it- **EVERYONE IS WELCOME HERE.** My job is to make your wedding the best it can be. I'm here to get you where you need to be and feel amazing about it. Getting up every day and doing what I love makes me come alive! I hope you will find my enthusiasm infectious as we embark on to this amazing planning journey together.
